RELEASE YOUR INNER ARTIST AT THE *IZZII Art Studio*

Susan Filer – artist, quilt designer, author and teacher – returns as tutor for Izzii's Mixed Media Art projects and shares her knowledge and skills. Classes are suitable for all levels and beginners are especially welcome.

Mini Workshops

12noon, 3pm and 3.45pm daily

This is your chance to experience the new napkin art products in a fast, fun hands-on project. With Susan's guidance, you can try metallic foiling, napkin art and three-dimensional structure paste to create a small canvas sampler to take home and display as a wall-hanging, 'fridge art' or coffee coaster. **\$10**

Designer Journal Cover

Due to the fantastic response this class has received, Susan is teaching it again in Sydney. It provides you with the inspiration and the materials – and the opportunity – to take 'napkin art' to the next level.

**10am Dimensional
Designer Journal Cover**

10am class

Use napkins, structure paste, beads and textural gels to transform a plain journal cover into a three-dimensional work of art. **\$35**

1pm Designer Journal Cover

In this class you will cover a plain journal using liquid patchwork and paper napkins. A three dimensional effect will be achieved by the use of Izzii multimedia mediums underneath the napkins. This is a fun class suitable for all...especially beginners. \$35

1pm class

Please note bookings are essential.

Bookings can be made on the day at the stand or by contacting Izzii at www.izzii.com.au or (02) 6495 6699.
